Welcome to Hansa-Messe-Speed GmbH, your trusted partner in logistics. Endorsed by HIGH END SOCIETY Service GmbH, we are proud to be recommended as the official logistics partner, offering comprehensive support for all your needs.

With us by your side, you can trust that your logistics are in capable hands, ensuring the success of your endeavors. We're dedicated to delivering top-tier quality across all our services, driven by the belief that there's a solution for every need.

At the core of our success are personalized interactions, motivated employees, and their unwavering dedication.

#### Certified in Quality & Environment

We are committed to excellence in every aspect of our service. That's why we've earned certification according to DIN EN ISO 9001:2015, guaranteeing the highest standards in all our logistic processes and services. Timely updates and the availability of our multilingual staff ensure smooth operations.

Our mission is to flawlessly organize your trade fair transport, ensuring your success at every turn.

#### Environment and Sustainability—for Future Generations!

Our dedication to environmental responsibility is reflected in our certification according to DIN EN ISO 14001:2015. We raise awareness among our employees, customers, and suppliers, ensuring that sustainable environmental practices are embedded in everything we do.

With these principles guiding us, we are committed to meeting your logistical needs reliably, cost-effectively, and with a focus on environmental consciousness.
