## Exhibition Logistics

**DSV Fairs & Events** is recommended from the organizer **HIGH END SOCIETY Service GmbH** as **official logistics partner** offering the full logistics support including the coordination of transportation to/from the venue and on-site handling.

**Sustainability** is very important to both **HIGH END SOCIETY** and **DSV**.

We are trying to reduce the total quantity of transports, to consolidate as many consignments as possible, to use synergies and avoiding single transports and truck waiting times.

Our main goal is to handle as much consignments as possible via our global **DSV-Hubs in Weinstadt** (near Frankfurt) and in each country to **consolidate** the shipments there for transport directly to the venue and vice versa. All together we hereby delivering a reasonable impact to **lower CO<sub>2</sub>-emission!**
